CITY CLERK
C & C OF HONOLULU
2017 FEB - 8 AM 9:32

Written Testimony Our Hauula Community Association has opposed the addition of the Malakahana development since its inception almost 10 years ago. We voted against the added development, supported only by HRI and some of the LDS community. All of the communities in Koolauloa, including Hauula, understand the problems that would certainly be caused by a new major development like the proposed "Envision Laie" at Malakahana, Gunstock Ranch in Kahuku. Our traffic and roads are under siege right now by cars and by climate change and cannot endure the strains of further major development. Our water all goes to support the new development on the Leeward side. Koolauloa is to be preserved as "Country." Thank You! to the "voices of reason" on the City Council who understand this and who are doing the right thing with supporting Bill 1. Thank You from the current residents of Hauula and generations to come! We must keep Koolauloa Country for our residents and our future. Mahalo!
